

**Prof. Dr. Fatma ARSLAN**  
(President of BMPC Int. Scientific Committee)

**M. Ali TÜRKOĞLU**  
(Co-Chair of Organizing Committee)

**Prof. Dr. M. Olgaç KANGAL**  
(Co-Chair of Organizing Committee)

## LANGUAGE

All papers will be presented in English.

**Abstracts of maximum 200 words** should be submitted in English and included contact details.

## REGISTRATION FEES

Registration Type	Single Room	Double Room
Full Board Registration	700 €	600 €/person
Accompany Person	-	350 €
Registration*	300 €	
Students*	100 €	
Daily*	100 €/day	

**\*Fees do not include accommodation.**

**Full registration includes two-night accommodation.**

All registration fees include accommodation (bed & breakfast), lunches & dinner, Gala Dinner, Coffee breaks, Congress Materials.

At the same venue  
simultaneously

## IMPORTANT DATES

**1 Oct 2025** Submission of Abstracts  
**1 Nov 2025** Acceptance of Abstracts  
**1 Feb 2026** Submission of Full papers

## XX Balkan Mineral Processing Congress

**BMPC 2026**

**APRIL 9-11, 2026**

**ISTANBUL - TÜRKİYE**

**Tüyap Palas Hotel**  
**Beylikdüzü / İstanbul - TÜRKİYE**

**İTÜ**

The “XX Balkan Mineral Processing Congress - BMPC2026” will be organized by the collaboration of ITU Mineral Processing Engineering Department and the Turkish Mining Development Foundation between the dates April 9-11, 2026.

“BMPC” will bring together a large number of senior officials from Türkiye and many other countries as well as the authorities from the companies in the field of mining and mineral processing industries in order to create an opportunity to debate the future of the sector.

BMPC represents a technical platform for the safe and sustainable future of the mining and mineral processing industries in Balkan Countries. We are inviting you to become a part of this global challenge by attending our congress through participation, presentation, exhibition and supporting our activities. In this respect, Istanbul with its dynamism and diversity presents a unique opportunity for your attendance. We assure you that we will provide all means to make you enjoy and benefit from this extraordinary event.

- Material Analysis and Mineral Characterization
- Comminution and Classification
- Physical Concentration Methods
- Flotation and Surface Chemistry Processes
- Hydrometallurgy, Pyrometallurgy and Bio-Processing
- Processing of Industrial Minerals
- Coal Processing, Agglomeration and Briquetting
- Dewatering, Waste Water Treatment
- Management of Mineral Processing Tailings
- Soil Remediation
- Conservation, Rehabilitation and Recycling in Mineral Processing
- Plant and Process Design and Operating Practice
- Modeling, Simulation, Control and Automation in Mineral Processing
- Education, Sustainability in Mineral Processing
- Health & Safety Issues in Mineral Processing
- Geological Studies
- Mining Operations (Open-pit, Underground, Solution Mining) related to Mineral Processing

Cumhuriyet Mahallesi, Eski Hadımköy Yolu Caddesi 9/2  
Beylikdüzü / İSTANBUL - TÜRKİYE
